

- Load Containment ▣▣▣▣▣
- ESR/Green Score ▣▣▣▣▣▣
- Elongation ▣▣▣▣▣▣
- Cling ▣▣▣▣▣▣
- Optics ▣▣▣▣▣▣

*Ideal for:*

*Warehouse*

*Industrial*

*Construction*

### Benefits

- Reduced Load Cost
- Lower Environmental Impact
- Ultra High Performance Film
- 100% Recyclable

### Features

- Ultra High Clarity
- Premium Puncture Resistance
- Remarkable Load Retention

SteelFlex

# Steelflex Xtreme

## SteelFlex Xtreme Hand Film

SteelFlex Xtreme is the most advanced down gauge hand film on the market. SteelFlex Xtreme's new formula offers greater puncture and tear resistance at razor thin gauges. Experience the crystal clear optics, low neck down, and quiet release that give you the consistent performance you have come to expect from SteelFlex Xtreme Hand Film!

## SteelFlex Xtreme Machine Film

SteelFlex Xtreme Machine film is an ultra high performance stretch film that provides unmatched puncture and speed capabilities. SteelFlex Xtreme delivers load containment at gauge levels unseen in the market place. Up to 300% pre-stretch and unmatched puncture and tear resistance make Steelflex Xtreme a great option for containing your toughest loads.
